

MEMES

Meme Competition — Event Report

Event Name	MEMES
Organized By	TinkerHub SBCE Pattoor
Date	29 August 2026
Time	4:00pm-8:00pm
Venue	Online

Event Overview

MEMES was an online meme competition organized by TinkerHub SBCE Pattoor on 29 August 2026 from 4:00 PM to 8:00 PM. The competition provided participants with an opportunity to express their creativity and humour through memes while presenting contemporary Kerala themes in an engaging and relatable format.

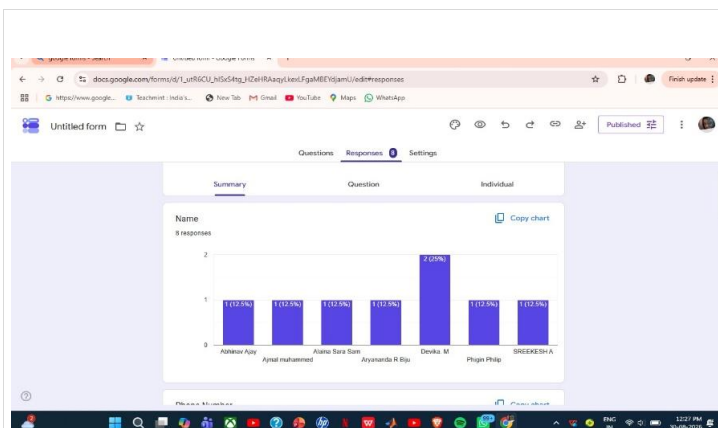

The submitted memes creatively combined traditional Kerala elements, Onam-related visuals, modern technology, social media culture, transportation, shopping, food, and everyday experiences. Several entries used humorous contrasts between traditional Kerala life and present-day digital life, making the content entertaining as well as relevant to the audience.

The event was conducted completely online, allowing participants to prepare and submit their meme entries remotely. A total of 8 responses were recorded through the Google Form. The recorded responses included participants from different semesters, with 3rd and 5th semester students represented.

Objectives

- To provide a creative platform for participants to express ideas through memes.
- To encourage humour, creativity, and originality in digital content creation.
- To explore contemporary Kerala culture and everyday experiences through a modern format.
- To encourage students to use digital media as a means of creative communication.
- To promote participation and engagement within the TinkerHub community through an online activity.

Event Highlights

Outcome

- Successfully conducted the MEMES online meme competition.
- Provided participants with a platform to showcase creativity through digital content.
- Encouraged students to combine cultural themes with contemporary technology and social-media trends.
- Promoted creative thinking, humour, and effective visual communication.
- Engaged participants through relatable and entertaining meme content.
- Strengthened participation and interaction within the TinkerHub community through an online creative activity.

Conclusion

MEMES was an engaging online competition that brought together creativity, humour, and contemporary Kerala themes. The participants presented their ideas through visually appealing and relatable memes, highlighting the way traditional culture and modern technology coexist in everyday life.

With 8 responses recorded, the competition provided students with an enjoyable opportunity to explore digital creativity and communicate ideas in a simple and entertaining format. Overall, the event successfully reflected the spirit of creativity, participation, and community engagement within TinkerHub.
