

Unpaid Opinion! — Part 1

Candid Conversations on Tech & Design — Report

Event Name	Unpaid Opinion!- Part 1
Organized By	TinkerHub SBCE Pattoor
Date	26 September 2026
Time	11:30 AM – 12:30 PM
Venue	Sree Buddha College of Engineering (SBCE)

Event Overview

TinkerHub SBCE presented the first edition of അനുഭവപ്പെടൂ OPINION!, featuring Devika R S. Stepping away from the usual lecture routine, the session brought together design intuition, technology ideas, real campus experiences, and honest perspectives in an engaging conversation.

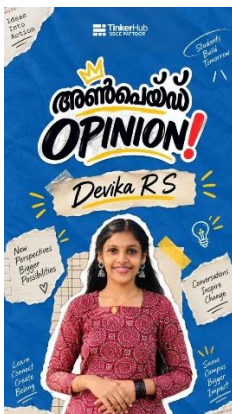

The session focused on candid conversations around Tech & Design, giving participants the opportunity to listen, interact, and share their own perspectives. Rather than relying on formal presentations or unnecessary technical jargon, the conversation emphasized raw insights, genuine dialogue, and fresh perspectives.

The interactive nature of the session encouraged students to think differently and explore Technology & Design from a new perspective, making the session both engaging and relatable.

Objectives

- To create an informal space for open conversations about Technology and Design.
- To encourage students to express their opinions and perspectives.
- To connect technology and design concepts with real-life and campus experiences.
- To promote creative and critical thinking among participants.
- To provide an engaging alternative to conventional lecture-based sessions..

Participants engaging with the session

Outcome

- Participants gained new perspectives on Technology and Design.
 - The session encouraged students to openly share their thoughts and opinions.
 - Students were introduced to the connection between design thinking, technology, and everyday experiences.
 - The interactive format encouraged active participation and meaningful discussion.
 - The event provided a refreshing and informal learning experience beyond the regular classroom environment.
-

Conclusion

The first edition of അഭിപ്രായം OPINION! was an engaging and interactive session that brought together technology, design, and honest conversation. Featuring Devika R S, the event created a comfortable space for students to exchange ideas, question conventional perspectives, and look at Tech & Design in a fresh way.

The session successfully provided a platform for genuine dialogue, creative thinking, and shared perspectives, making it a meaningful addition to the activities conducted by TinkerHub SBCE.
